Dear Mr Saunders

Adoption of Sewers at Abbots Hill, Little Ann, Andover, Hampshire

Further to earlier correspondence on this matter I am pleased to confirm that the sewers in Abbots Hill were formally vested in Southern Water on 22 August 2005 and they are now recorded on the map of public sewers. I enclose an extract from the map, showing the sewers, for your information. Henceforth the sewers are Southern Water's responsibility to maintain and repair.

Yours sincerely
